Quick Tips for using your Neusu bags

- The Neusu label inside the packet is a fold out instruction leaflet. Please read.
- Ensure everything is dry before you store items in a bag.
- Fold items neatly before storage to get the most into each bag.
- We also have a Vacuum Storage Bag Tips Sheet for free download from our website.
- Recommended for indoor use.

We are always available to answer any problems or queries about how to best use your Neusu products - info@neusu.com.
